

Falling to Pieces

Marshmello

One, two, three, here we go
Bring it back now
Bring it back now

Can you hear me? I'm falling to pieces
But I swear I'll stay if you give me a reason
Can you hear me? I'm falling to pieces
But I swear I'll stay if you give me a reason

(Can you hear me? I'm falling to pieces)

One, two, three, here we go
(Can you hear me? I'm falling to pieces) Bring it back now
(I swear I'll stay if you give me a reason)
(Can you hear me? I'm falling to pieces) Bring it back now
(I swear I'll stay if you give me a reason)

Can you hear me? I'm falling to pieces
But I swear I'll stay if you give me a reason
