Baby, why won't you stay with me? Cause I know I've tried And I know I've said goodbye Baby, without you by my side Ya, I feel like I'm paralyzed Woah, woah Ya, I feel like I'm paralyzed Woah, woah Ya, I feel like I'm paralyzed One, two, three, jump Say something, say something Come on baby stay with me Baby, why won't you stay with me? Cause I know I've tried And I know I've said goodbye Baby, without you by my side Ya, I feel like I'm paralyzed Woah, woah Ya, I feel like I'm paralyzed Woah, woah Ya, I feel like I'm paralyzed One, two, three, jump Say something, say something Come on baby stay with me Baby, why won't you stay with me? Cause I know I've tried And I know I've said goodbye Baby, without you by my side Ya, I feel like I'm paralyzed
