

'Cause I'm so tired of the sad songs
And I'm just tryna get myself together
And I just wanna, I just wanna move on (Move on)
When the time is right, then we'll talk
Maybe that's when we will both feel better
And I just wanna, I just wanna move on
Move on

'Cause I'm so tired of the sad songs
And I'm just tryna get myself together
And I just wanna, I just wanna move on
When the time is right, then we'll talk
Maybe that's when we will both feel better
And I just wanna, I just wanna move on
Move on

'Cause I'm so tired of the sad songs
And I'm just tryna get myself together
And I just wanna, I just wanna move on
Move on

'Cause I'm so tired of the sad songs
And I'm just tryna get myself together
And I just wanna, I just wanna move on
When the time is right, then we'll talk
Maybe that's when we will both feel better
And I just wanna, I just wanna move on
Move on

'Cause I'm so tired of the sad songs
And I'm just tryna get myself together
And I just wanna, I just wanna move on
When the time is right, then we'll talk
Maybe that's when we will both feel better
And I just wanna, I just wanna move on
Move on

'Cause I'm so tired of the sad songs
And I'm just tryna get myself together
And I just wanna, I just wanna move on
