

All I Am

Marti Webb

Who do you think you see
When you look at me
Is it somebody strong
Somebody you could admire
And who do you think I am
When I take your hand
Are you counting on me
To fill all your secret desires

Well all I am
Is lonely, just like you
And all I want to do
Is have one dream come true
All I am
Is handing you my heart
Hoping to be part of you

Who do you think you are
Standing in the dark
Are you waiting for me
Do you think I can reach you from here
Oh and how do I get to you
Won't you let me through
Don't you think maybe we
Could find something special to share

Well all I am
Is lonely, just like you
All I want to do
Is have one dream come true
All I am
Is handing you my heart
Hoping to be part of you

Well all I am
Is lonely, just like you
All I want to do
Is have one dream come true
All I am
Is handing you my heart
Hoping to be part of you
Hoping to be part of you.
