

See If I Care

Martika

You know I've been thinking

What if I was your lover
Could I make you shiver
Every time you look at me
Does your heart beat like thunder
Just like mine
Do you feel the energy

My fantasy is you and me
Looked inside a lovers' groove
So don't be shy
No other guy can get to me
The way you do

So touch me
See if I care

Hold me
See if I care for you
Kiss me
See if I care
'cause I betcha I do
Care about you
See if I care

And if we were together
Would you put your arms around me
Hold me oh so tight
Would you love me forever
Come on boy
Only you can make it right

You're so cool
You won't break the rules
But you don't have to keep your hands to yourself
'cause love is blind
But if you read my mind then you would know
The way I've always felt

Don't you know what you do to me
You're every girl's fantasy
Move a little bit closer now
Do I have to show you how
Touch me hold me kiss me
You're driving me crazy
