

The Happy Song

Martika

Ever since the first time
that I lay my eyes on you
boy, I swear that's when I knew
that my life would never be the same

And it's like the first sunrise
straight after a(?) stormy night
you were here and brought the light
and the warmth and the voodoo you do...

Might be I'm losing my mind
but I think I'm finally happy!

(I, I'm happy)
Oh yeah, hmm, hmm, hey...
(I, I'm happy, so happy, I, I, I'm happy)

- Spanish verses + chorus -

I must admit I'm surprised
to find myself suddenly happy!

(I, I'm happy)
Oh yeah, hmm, hmm, hey...

I never thought I could find
someone who would make me feel this way!

(I, I'm happy)

- Spanish lyric -

(I, I'm happy)
Ahhahh! Ahhahh! Huh, yeah!
(So happy, I'm happy, so happy, I, I, I'm happy)

You have made me feel so happy!

(I, I'm happy)
Yeah!
Ahhahh! Ahhahh! Hmm, hmm, hmm, yeah!
(I, I'm happy...repeat to fade)

So glad, so glad!

Now I'm happy
