This time is running like a river of life And if you don't

Now step into the wild, don't look back Fast forward, don't reg

regret Now step into the wild, don't look back Fast forward, d
on't regret Now step into the wild, don't look back Fast forwar

Fast fast fast forward Fast fast fast forward Fast fast fast fo
rward (Now's the way, we on the road of no return)

Fast fast fast forward Fast fast fast forward Fast fast fast fo

As I woke up this morning I saw your smile We have to walk ten
million miles Straight to the future, back to life Over hills a
nd valleys, day and night

We keep on running into the wild Like a motherless baby, like a
hopeless child We keep on rising, we will survive So baby let'

ret Now step into the wild, don't look back Fast forward, don't
regret Now step into the wild, don't look back Fast forward, d
on't regret Now step into the wild, don't look back Fast forwar
d, don't regret

Fast fast fast forward Fast fast fast forward Fast fast fast fo
rward (Now's the way, we on the road of no return)

Fast fast fast forward Fast fast fast forward Fast fast fast fo
rward (Now's the way, we on the road of no return)

Now step into the wild, don't look back Fast forward, don't reg
ret Now step into the wild, don't look back Fast forward, don't
regret Now step into the wild, don't look back Fast forward, d
on't regret Now step into the wild, don't look back Fast forwar
