

# Beauty False

Martin Solveig

How do you know the world? It's smaller than a pearl.  
It's all accessible from the screen of my phone.  
How do you know it's real? It's in the magazine.  
Glamorous profusion, that sounds a solution.

Beautiful in my face, I want more, I think less.  
Beautiful, how does it feel? Beauty-stortion of the real.  
Beautiful, additional, I believe in miracle.  
Who's the beauty, who's the beast? Will I have a chance at least?

How do you know this song? You played it all night long.  
It means a lot to you but nothing said it's true.  
How do you know my name? I never use the same.  
To be or not to be, like a celebrity.

Beautiful in my face, I want more, I think less.  
Beautiful, how does it feel? Beauty-stortion of the real.  
Beautiful, additional, I believe in miracle.  
Who's the beauty, who's the beast? Will I have a chance at least?

Beautiful, full of grace, beauty products on my face.  
Beauty falls down the cliff, I don't know what's underneath.  
Beautiful, a dirty fake, beautiful for my sake.  
Seeking for a special fear, beauty false, are you for real?

Beautiful, a beauty fake, beautiful, for my sake.  
Seeking for a special fear, beauty false, are you for real?  
Beautiful, a beauty fake, beautiful, for my sake.  
Seeking for a special fear, beauty false, are you for real?

Ouh ouh ouh, ouh... Ouh ouh ouh, ouh...

Beautiful in my face, I want more, I think less.  
Beautiful, how does it feel? Beauty-stortion of the real.  
Beautiful, additional, I believe in miracle.  
Who's the beauty, who's the beast? Will I have a chance at least?

Beautiful, full of grace, beauty products on my face.  
Beauty falls down the cliff, I don't know what's underneath.  
Beautiful, a dirty fake, beautiful for my sake.  
Seeking for a special fear, beauty false, are you for real?

Beautiful, a beauty fake, beautiful, for my sake.  
Seeking for a special fear, beauty false, are you for real?  
Beautiful, a beauty fake.
