

# Burning

Martin Solveig

Early in the morning, yeah, hit my love, I'm burning for your love.

I wanna leave you there in your garden of fantasies

Lost in your reverie, my dear.

I wanna cry, I wanna cry girl, closer, closer, closer to your love.

Burning (burning) you got me burning (burning) burning hmm.

Burning (burning) burning for your love yeah.

I stare at a natural trifle round, the shape of your body seems to talk to me.

Can't you see I'm burning, burning, burning yeah, burning for your love.

I feel the rumble in my chest, without you girl, I could not rest.

I'm getting real closer, closer, I'm burning for your love.

Burning (burning) you got me burning (burning) keep it coming baby.

Keep it coming (burning) keep it coming (burning) burning up yeah.

(Burning) burning, burning up (burning) I'm burning (burning)

Burning up (burning) keep it coming, burning (burning) burning up

Burning, burning, burning, burning.

Early in the morning, yeah, it seems that you are now away.

I'm getting stronger, stronger, oh how I wish girl, you could ask forever.

It seems that you are now away.

I'm getting stronger, stronger, oh how I wish girl, you could ask forever.
