

# Dry

Martin Solveig

I heard so many times that I was cold, that I was not reliable at all.

I can't find an answer so I'll make it clear.

I won't bother you no more cause I'm outta here.

Come on baby dry, come on baby dry

Come on baby dry, come on baby dry

Come on baby dry, come on baby dry

Come on baby dry, dry your eyes baby

Da, da da da da da da... Da, da da da da da da...

Da, da da da da da da... Da, da da da da da da...

I heard so many times that I was immature.

There was no way for you to be sure.

Here's a decision you won't regret

Things are sorted out for now, arrête de faire la tête.

Come on baby dry, come on baby dry

Come on baby dry, come on baby dry

Come on baby dry, come on baby dry

Come on baby dry, dry your eyes baby

Da, da da da da da da... Da, da da da da da da...

Da, da da da da da da... Da, da da da da da da...

Didn't understand what all this meant for you

I feel it though you would face it

Didn't understand what all this meant for you

Oh, oh oh... Oh, oh oh...

He didn't get it right what it meant for you (Oh, oh oh) Baby, face it

He didn't get it right till he get it right

He's just a little boy, you knew it, you knew it, you knew it

He didn't get it right, he didn't get it right, no no no no no no

No no no no... No no, no no, no no

Dry your eyes, time to forgive, time to forgive, time to forgive.

Who knows, who knows, you could get it back. So baby dry your eyes.

Come on baby dry, come on baby dry

Come on baby dry, come on baby dry

Come on baby dry, come on baby dry

Come on baby dry, dry your eyes baby

Da, da da da da da da... Da, da da da da da da...

Da, da da da da da da... Da, da da da da da da.
