

# Rejection

Martin Solveig

I spend so much energy  
I keep falling down my knees, baby  
I spend so much energy  
But the girl is not for me, I'm down

Try to show her different man  
Her reaction is the same  
I spend so much energy  
But she keeps rejecting me

Aaaha rejection  
Aaaha possession

I spend so much energy  
On the frantic rivery  
I should start on my grace  
She blew smoke in my face

Can't you see there's nothing more about me, baby  
Now it's time to seek and try to find a way

{2X}  
Ahaa rejection  
Before you turn your back on me  
I wanna get my energy  
Ahaa possession  
Before you turn your back on me  
I wanna get my energy

I feel so rejected, baby

i spend so much energy, it makes me fall down to my  
knees  
Try to sound fair, i fix my hair release the best of me  
feel like a geek, i sound corny turn the simple into  
cheezy  
but it seems that there's no way on earth she lays her  
eyes on me  
Try to dance like travolta, twist & shout for toi et  
moi  
i even look my father's van proposed a space boat run  
But now i'm down

{2X}  
Ahaa rejection  
Before you turn your back on me  
I wanna get my energy  
Ahaa possession  
Before you turn your back on me  
I wanna get my energy
