

One Day In Your Life

Martina Balogová

I know
That's just the way it goes, and you ain't right
For sure
You turned your back on love for the last time
It won't take much longer now
(See) Time makes me stronger well
There's nothin' more to say

One day in your life
Said love will remind you
How could you leave it all behind
One day in your life
Is gonna find you
With the tears you let me cry
And baby I'm stronger than before
You gotta lay it on the line
Baby one day in your life

My love
Did you think i'd break down and cry
This thing we had
It meant the world to me
Guess i was blind
It won't take much longer now
(See) Time makes me stronger well
I know you'll be comin' round someday

One day in your life
Said love will remind you
How could you leave it all behind
One day in your life
Is gonna find you
With the tears you let me cry
And baby I'm stronger than before
You gotta lay it on the line
Baby one day in your life

You called me in the midnight hour
With your velvet lies
So many sleepless nights I wonder
It's time to say goodbye

One day in your life
Said love will remind you
How could you leave it all behind
One day in your life
Is gonna find you
With the tears you let me cry
And baby I'm stronger than before
You gotta lay it on the line
Baby one day in your life

One day in your life
Said love will remind you
How could you leave it all behind
One day in your life
Is gonna find you

With the tears you let me cry
And baby i'm stronger than before
You gotta lay it on the line
Baby one day in your life
