

Broken Umbrella

Martina McBride

Walkin' around, rain comin' down
I don't mind at all.
Let all the clouds, tear up and drown us
Winter, spring, summer or fall
Cause when I'm with you,
It really don't matter
If we're walking around
With a broken umbrella
Let it rain, let it rain, let it rain
Let it rain, let it rain, let it rain!

With your hand in mine,
The sun always shines,
No matter what the weatherman says.
I don't mind the flood,
Let's splash through the puddles,
Baby this is just as good as it gets, oh yeah.
Cause when I'm with you,
It really don't matter
If we're walking around
With a broken umbrella
Let it rain, let it rain, let it rain
Let it rain, let it rain, let it rain
Let it rain, let it rain, let it rain!

So kiss me (So kiss me)
Like you mean it (Like you mean it)
Like a blue sky (Like a blue sky)
Like a June rain (Like a June rain)
(Like a June rain)

Cause when I'm with you,
It really don't matter
If we're walking around
With a broken umbrella
Let it rain, let it rain, let it rain
Let it rain, let it rain, let it rain
Let it rain, let it rain, let it rain!
Let it rain, let it rain, let it rain, oh yeah

Walkin' around, rain comin' down
