

I Just Call You Mine

Martina McBride

I pinch myself sometimes to make sure
I'm not in a dream, that's how it seems
I close my eyes and breathe in the sweetest moments
I've ever known, it feels like home

And here I am, I wanna be your everything
There you are turning winter into spring

And everyone that sees you always wants to know you
And everyone that knows you always has a smile
You're a standing ovation after years of waiting
For a chance to fall and shine
Everyone calls you amazing yeah, I just call you mine

I fall apart and just a word from you somehow seems to fix
Whatever's wrong, oh, you reach into the weakest moments
And remind me that I'm strong, you've gotta know
I'd be a fool not to see or even worse
To forget that you're more than I deserved

'Cause everyone that sees you always wants to know you
And everyone that knows you always has a smile
You're a standing ovation after years of waiting
For a chance to fall and shine
Everyone calls you amazing, I just call you mine

Nothing makes sense when you're not here
As if my whole world disappears
Without you what's the point of anything?

'Cause everyone that sees you always wants to know you
And everyone that knows you always has a smile
You're the dream that I've been chasing after years of waiting
For a chance to fall and shine
Everyone calls you amazing, I just call you mine
Everyone calls you amazing, yeah, yeah, I just call you mine
