

Love's Gonna Live Here

Martina McBride

Oh the sun's gonna shine in my life once more
Love's gonna live here again
Things are gonna be the way they were before
Love's gonna live here again

Love's gonna live here, Love's gonna live here
Love's gonna live here again
No more loneliness, only happiness
Love's gonna live here again

I hear bells a ringing, I hear birds a singing
Love's gonna live here again
I hear bees a humming and I know the day's a coming
Love's gonna live here again

Love's gonna live here, Love's gonna live here
Love's gonna live here again
No more loneliness, only happiness
Love's gonna live here again

Love's gonna live here again
