

# Ride

Martina McBride

You wake up from your dreaming  
and you don't want to face the day  
You can't find a reason  
to think your world will ever change  
You can hide beneath the covers  
Or you can run outside head up high and carry on

Life is a roller coaster ride  
Time Turns the Wheel and Love Collides  
Faith is believing you can close your eyes and touch the sky.  
So shine while you have the chance to shine  
Laugh even when you want to cry  
Hold on tight to what you feel inside and ride...

It brings you up slowly then shoots you like a rocket towards the ground  
it twists you and it shakes you before it turns you upside down  
You can't see what's around the corner  
and You can't look back, so just live it up and feel the rush

Life is a roller coaster ride  
Time Turns the Wheel and Love Collides  
Faith is believing you can close your eyes and touch the sky.  
So shine while you have the chance to shine  
Laugh even when you want to cry  
Hold on tight to what you feel inside and ride...

Ride, ride

So shine while you have the chance to shine  
Laugh even when you want to cry  
Hold on tight to what you feel inside and ride

Ride, ride!
