

# Still Holding On

Martina McBride

There's something out there left for you  
But it's not me  
We've reached a point of no return  
It's only right I set you free

I know I'll have to turn away  
But there's nowhere for my love to go  
And there won't come a day  
When I won't honor what we've vowed

But I'll go on with my life  
We can even say goodbye for now if  
If that's what we have to do  
But here in my heart  
Even when my arms are empty darlin'  
I'm still holdin' on to you

We can't deny that this one's  
Out of our control  
Stronger than the both of us  
And bound to take its toll

I can stand the test of time  
And as far as I can see  
There are no walls that we can't climb  
Standin' between you and me

But I'll go on with my life  
We can even say goodbye for now if  
If that's what we have to do  
But here in my heart  
Even when my arms are empty darlin'  
I'm still holdin' on to you

And there's a place you'll always be  
No matter where you are  
You're here with me  
When the world is turning upside down  
Together we can stand our ground

We can even say goodbye for now if  
If that's what we have to do  
But here in my heart  
Even when my arms are empty darlin'  
I'm still holdin' on to you

I'm still holdin' on to you...  
When I'm gone  
When I'm gone  
I'm holdin' on
