

# This One's for the Girls

Martina McBride

This is for all you girls about 13  
High school can be so rough, can be so mean  
Hold on to, on to your innocence  
Stand your ground when everybody's givin' in  
This one's for the girls

This is for all you girls about 25  
In little apartments, just tryin' to get by  
Livin' on, on dreams and spaghettios  
Wonderin' where your life is gonna go

This one's for the girls  
Who've ever had a broken heart  
Who've wished upon a shooting star  
You're beautiful the way you are  
This one's for the girls  
Who love without holdin' back  
Who dream with everything they have  
All around the world, this one's for the girls  
(This one's for all the girls)

This is for all you girls about 42  
Tossin' pennies into the fountain of youth  
Every laugh, laugh line on your face  
Made you who you are today

This one's for the girls  
Who've ever had a broken heart  
Who've wished upon a shooting star  
You're beautiful the way you are  
This one's for the girls  
Who love without holdin' back  
Who dream with everything they have  
All around the world, this one's for the girls

Yeah, we're all the same inside  
(Same inside)  
From 1 to 99

This one's for the girls  
Who've ever had a broken heart  
Who've wished upon a shooting star  
You're beautiful the way you are  
This one's for the girls  
Who love without holdin' back  
Who dream with everything they have  
All around the world, yeah, this one's for the girls

(This one's for all the girls)  
Yeah, this one's for the girls  
(This one's for all the girls)
