

# What Do I Have to Do

Martina McBride

This is my third town  
God let it be the last one  
Start a new job Monday  
I need a little time not to run  
Just when I think it's over, starting over, you get closer, it  
ain't over.

What do I have to do?  
Where do I have to go?  
To get you off my mind, leave you behind, give me a sign  
What do I have to do to make me stop loving you?

I even met somebody who I thought would be the one  
To turn me down a new road far enough to finally lose you  
This losing game I'm playing, smile I'm faking, road I'm taking

You'll be waiting heart still breaking just keep on praying

What do I have to do?  
Where do I have to go?  
To get you off my mind, leave you behind, give me a sign  
What do I have to do to make me stop loving you?

I want my life back  
I want to move on  
'Cause I ain't the first one to lose someone

What do I have to do?  
Where do I have to go?  
What do I have to do to make me stop loving you?
