

## Wild Rebel Rose

Martina McBride

Wild Rebel Rose  
The kids used to tease you  
Wild Rebel Rose  
Every time they'd see you in those black turtle necks in mid-July  
Wearin' too much makeup 'round your eyes

Wild Rebel Rose  
I didn't know you  
Wild Rebel Rose  
So I never told you how I'd watch from the house across the street  
When those blue lights came around at least three times a week  
It's hard for anyone to understand why at sixteen you just up and ran  
But they didn't know you only knew your daddy's love like the back of his hand

I heard the shots  
I saw you hit the door  
I snuck in and grabbed that pistol off the floor  
Don't you worry they won't find it that's for sure

Wild Rebel Rose  
The kids used to tease you  
Wild Rebel Rose  
Every time they'd see you in those black turtle necks in mid-July  
Wearin' too much makeup 'round your eyes

Mmm, oh, Wild, Wild, Wild Rebel Rose  
They didn't know  
Oooh, yeah, mmm
