Sandpaper Kisses

Martina Topley-Bird

Sandpaper kisses, papercut bliss Don't know what this is, but it all leads to this: You're gonna leave Her You have deceived Her Just a girl

Ooh just a girl with featherweight curls To expose all she knows you play like tease Just a girl with featherweight curls To expose all she knows you play like tease

You're gonna leave Her You have deceived Her Just a girl

I want the soul of something simple to Take home with me The world as someplace simple it's my Home you see

You're gonna leave Her You have deceived Her Just a girl, a blood red pearl
