

Every Time

Martine McCutcheon

No one ever said it would be easy
But I know this ain't the way it's supposed to be
I didn't mean to hurt your feelings
Now I'm here, wondering if you'll come back to me

Cause every night you spend away
I'm realizing my mistake
Whenever your love could hurt so bad
I never knew I could be so sad

Everytime, you go away
My heart breaks just a little bit more
Baby, I wish you'd stay
Because my heart just can't stand the pain

I never thought I'd be the one to tell you how I feel
I don't know what I'm gonna do
Each day I'm longing to be near you
Love is real, baby don't tell me that it's true

Cause every night you spend away
I'm realizing my mistake
Whenever your love could hurt so bad
I never knew I could be so sad

Everytime, you go away
My heart breaks just a little bit more
Baby, I wish you'd stay
Because my heart just can't stand the pain

Baby, forgive me
For all the things I said
And I want to apologize
And I mean every word when I say

Won't you please stay?

Baby, baby, please stay.

Baby, don't go away.

Everytime, you go away
My heart breaks just a little bit more
Baby, I wish you'd stay
Because my heart just can't stand the pain
