

# Tremble

Martine McCutcheon

Do you tremble when I touch you  
Even though it's not allowed  
And do you feel we're all alone  
Even when we're in a crowd  
Does it scare you and unnerve you  
That I make you feel so good  
All night and day  
You want to stay  
But walk away  
You feel you should  
You know you should  
If only you could

'Cause I want you  
And if you want me too  
Just hold me close  
And don't let go

Do you tremble when I kiss you  
Even though it's not allowed  
And do you feel we're all alone  
Even when we're in a crowd  
Does it scare you and unnerve you  
That I make you feel so good  
All night and day  
You want to stay  
But walk away  
You feel you should  
You know you should  
If only you could

'Cause I want you  
And if you want me too  
Just hold me close  
And don't let go  
Just hold me close  
And don't let go

Do you tremble when I kiss you  
Even though it's not allowed  
And do you feel we're all alone  
Even when we're in a crowd  
Does it scare you and unnerve you  
That I make you feel so good  
All night and day  
You want to stay  
But walk away  
You feel you should  
You know you should  
If only you could

'Cause I want you  
And if you want me too  
Just hold me close  
And don't let go  
Just hold me close  
And don't let go
