

What You See Is What You Get

Martine McCutcheon

You're wasting your time
If you think I can change myself
Cause it looks to me
You'd be better off with someone else
So now it's up to you

Leave me if you must or
Stay if you want
Just make up your mind
I don't want to waste the rest of my life
It's your turn to decide

What you see is what you get
There is no more
If you have to leave
There's no regrets
Just close the door

Take me as I am
I don't wanna try no more
Either move on
Or stay as we were before
Now it's up to you

Love may be blind
But I can still see
What you're doing to me
I don't want to waste the rest of my life
So what's it gonna be

What you see is what you get
There is no more
If you have to leave
There's no regrets
Just close the door (close the door)

Ooh, so leave if you have to
Hey, hey
If that's what you wanna do
Don't think I'll be holding on
Cause you know I'm going too strong
Don't think I'll be down for long
Think of my way now

Whoa, hey, heya
What you see is
There's no more
