

Beyond the Reef

Marty Robbins

Beyond the reef where the sea is dark and cold
My love has gone and my dreams grow old
There'll be no tears there'll be no regretting
Will she remember me will she forget

I'll send a thousand flowers where the tradewinds blow
I'll send my lonely heart cause I love her so
Someday I know she'll come back again to me
Till then my heart will be beyond the reef

I'll send a thousand flowers...
