

## Buenos Dias Argentina

Marty Robbins

Buenos días Argentina  
What a lovely sight you are  
Can't help wavin' my sombrero  
For the joy that's in my heart  
Buenos días Buenos Aires  
With your bright blue sky above  
In your warm September sunlight  
I see everything I love

Buenos días Argentina  
Ay, te dice mi canción  
Buenos días Argentina  
Canto por corazón

I was young and I was restless  
So I searched as dreamers do  
Buenos días Argentina  
You don't know how I missed you  
Buenos días, my beloved  
Been away from you too long  
In the evening we'll be hearing  
Soft guitars that play our song  
And the music of the pampas  
Once again will bring us close  
Only this time I can promise  
We will never say Adiós

Buenos días Argentina  
Ay, te dice mi canción  
Buenos días Argentina  
Canto por corazón

I was young and I was restless  
So I searched as dreamers do  
Buenos días Argentina  
You don't know how I missed you  
Buenos días Argentina  
You don't know how I missed you
