

Don't Sing Aloha When I Go

Marty Robbins

Don't sing Aloha when I go
Because I'm coming back you know
Don't sing Aloha though I cry
Our parting just not means goodbye

I'll dream of you in Waikiki
That's where I long as long to be
Just smile and say you'll miss me so
Don't sing Aloha when I go

Don't sing Aloha when I go...
I'll dream of you in Waikiki...
