

# Don't Throw Me Away

Marty Robbins

Don't be foolish  
Don't, don't throw me away  
Keep me around  
Just for keeps, dear

You might need a laugh someday, oh  
Love is unpredictable  
At least I've heard people say  
Keep me around

Just for keeps, dear  
You might need a laugh someday, oh  
I've learned how to smile and pretend  
When my heart wants me to cry

You may have to learn  
How to hide tears that burn  
And who could teach better than I, oh  
Don't be foolish

Don't, don't throw me away  
Keep me around  
Just for keeps, dear  
You might need a laugh someday, oh
