

# Hawaiian Bells

Marty Robbins

Hawaiian bells were ringing  
Out across the bay  
Native voice is singing  
On our parting day.

Tears were in your eyes  
I was crying too  
I still hear you whisper  
Aloha, I love you.

I know I'll miss this our Island  
We knew we'd have to part  
Hawaiian bells from my land  
The bells that broke my heart.

Tears were in your eyes  
I was crying too  
I still hear you whisper  
Aloha, I love you.

I know I'll miss this our Island  
We knew we'd have to part  
Hawaiian bells from my land  
The bells that broke my heart...
