

# I Can't Quit (I've Gone Too Far)

Marty Robbins

I'd like to find somebody  
Who would be just halfway true  
But I can't quit, I've gone too far  
I'm deep in love with you  
I'd like to pull up stakes and leave  
That's what I'd like to do  
But I can't quit, I've gone too far  
I'm deep in love with you

If I knew then what I know now  
I wouldn't be so blue  
I'd-a quit seein' you long ago  
I wouldn't be lovin' you  
Well, you keep so mixed up inside  
By things you say and do  
But I can't quit, I've gone too far  
I'm deep in love with you

I can't quit, I've gone too far  
I'm deep in love, you see  
You really know your way around  
You're makin' it tough on me  
Well, a truckload full of dynamite  
Couldn't blast you out-a my heart  
Are you there to stay, well, it's a-lookin' that way  
Why don't you do your part

If I'd-a been smart I'd-a closed my heart  
I wouldn't-a let you in  
But I find I was wrong when I waited so long  
I got you under my skin  
Well, you keep so mixed up inside  
By things you say and do  
But I can't quit, I've gone too far  
I'm deep in love with you

If I knew then what I know now  
I wouldn't be so blue  
I'd-a quit seein' you long ago  
I wouldn't be lovin' you  
Well, you keep so mixed up inside  
By things you say and do  
But I can't quit, I've gone too far  
I'm deep in love with you
