

If I Want To

Marty Robbins

Uh hum la da da da if I want to

I can worship the ground you walk on if I want to
And I can hope when hope is gone if I want to
I can be the biggest fool this world has ever known
And love you for a lifetime if I want to

You can't tell me who to love cause you don't own my heart
At least you don't own all of me just the biggest part
I'll love you true a million years until my days are through
And I love you that much longer if I want to

I'll love you true a million years until my days are through
And love beyond forever if I want to
Uh hum la da la da if I want to
