

## It's A Sin

**Marty Robbins**

It's a sin a sin the way I love you  
Because I know our love could never be  
It's a sin to say that I don't miss you  
When silence proves that you've forgotten me

The dream I built for us has tumbled  
And each promise broken like my heart  
Why pretend that I can't live without you  
When deep inside I know that it's a sin  
The dream I built for us...
