

It's Too Late Now

Marty Robbins

Things have changed a lot since first we met still recall the d
emon dress you wore
Lovely night I'm trying to forget too late now to worry anymore
Those simple vows we made were not to be you'll never love me a
s you did before
Your tender smile no longer is for me too late now to worry any
more

Tears that dimmed my eyes had passed away let me only memorize
of yours
You've gone and there is nothing left to say too late now to wo
rry anymore
Wherever you may wander may you find kind of love your heart is
searching for
Forget about this aching heart of mine too late now to worry an
ymore
