

# Misty

Marty Robbins

Look at me I'm as helpless as a kitten up a tree  
And I feel like I'm clinging to a cloud I can't understand  
I get misty holding your hand  
Walk my way and a thousand violins began to play  
Or it might be the sound of your hello  
This music I hear I get misty whenever you're near

You can say that you're leadin' me on but it's just what I want  
you to do  
Don't you notice how hopelessly I'm lost that's why I'm followi  
ng you  
On my own would I wander through this wonderland alone  
Never knowing my right foot from my left my hat from my glove  
I'm so misty and so much in love

You can say that you're leadin' me on...  
Misty and so much in love
