My Happiness

Marty Robbins

Evening shadows make me blue When each weary day is through How I long to be with you, my happiness

Every day I reminisce Dreaming of your tender kiss Always thinking how I miss my happiness

A million years it seems
Have gone by since we shared our dreams
But I'll hold you again
There'll be no blue memories then

Whether skies are gray or blue Any place on earth will do Just as long as I'm with you, my happiness

Whether skies are gray or blue Any place on earth will do Just as long as I'm with you, my happiness
