

Sweet Bird Of Paradise

Marty Robbins

Love with its wings flies far beyond my reach
Love hear my call fly closer I beseech

Oh fly to me sweet bird of Paradise
Don't let me be life's empty sacrifice
Why must you be always a mystery
Oh fly to me sweet bird of Paradise

Love with its wings flies far beyond the blue
Love heard no call so I cannot pursue

Farewell to Thee sweet bird of Paradise
You've let me be life's empty sacrifice
Now all you'd be is just a memory
Farewell to Thee sweet bird of Paradise
