

They'll Never Take Her Love From Me

Marty Robbins

If today the sun should set on all my hopes and cares
There is one who's smilin' face the Gods would see
'Cause she'll walk along beside me up those golden stairs
Oh, they'll never, never take her love from me

I thought I'd make her happy if I stepped aside
But I knew her love would never set me free
And even on the mornin' she became another's bride
I said, they'd never, never take her love from me

I thought I'd make her happy if I stepped aside
But I knew her love would never set me free
And even on the mornin' she became another's bride
I said, they'd never, never take her love from me
