## **They're Hanging Me Tonight**

## **Marty Robbins**

I hear the rain a coming down It makes me sad and blue Was on a rainy night like this That Flo said we were through

I told her how I loved and I begged her not to go But another man had stole her heart So I said goodbye to Flo

Alone within my cell tonight My heart is filled with fear The only sound within the room Is the falling of each tear

I think about the thing I've done I know it wasn't right They'll bury Flo tomorrow but They're hangin me tonight They're hangin me tonight

That night he came and took my Flo And headed into town I knew I'd have to find this man And try to gun him down

As I walked by a dim cafe And I looked through the door I saw my Flo with her new love And I couldn't stand no more, I couldn't stand no more

I took my pistol from my hip And with a trembling hand I took the life of pretty Flo And that good for nothing man That good for nothing man

I think about the thing I've done I know it wasn't right They'll bury Flo tomorrow but They're hangin me tonight They're hangin me tonight
