

Today, I Started Loving You Again

Marty Robbins

Today I started loving you again
I'm right back where I've really always been
I got over you just long enough to let my heartaches mend
And then today I started loving you again.

What a fool I was to think
I could get by with only these few million tears I've cried
I should have known the worst was yet to come
And that crying time for me had just begun.

Cause today I started loving you again
I'm right back where I've really always been
I got over you just long enough to let my heartaches mend
And then today I started loving you again.

And then today I started loving you again...
