

Fool For Love

Marty Stuart

Yes, she broke my heart again
(Fool for love)
That's the way it's always been
(Fool for love)

It's a cryin' game
If you play long enough
It's a beautiful pain
When you're a fool for love
Fool, for love

I tell myself that I don't care
(Fool for love)
But I keep hopin', she'll be there
(Fool for love)

It's a cryin' game
If you play long enough
You're slowly going insane
When you're a fool for love
Fool for love

Fool for love
Fool for love
Fool for love

Always thought I was so smart
(Fool for love)
Started thinkin' with my heart
(Fool for love)

It's a cryin' game
If you play long enough
Tears will fall down like rain
When you're a fool for love

Fool for love
Fool for love
Fool for love
