

Here I Am

Marty Stuart

Dreamed aboutcha last night, baby
Well, you were lookin' for your man
And my heart said I had to tell you
Baby, here I am

And I don't look much like prince charming
With Mississippi on my hands
But if you want someone to hold you
Baby, here I am

You know no one will love you better
No one can move you like I can
I ain't afraid to say forever
So if you want a man, I mean a man
Well baby, here I am

And you know no one will love you better
No one can move you like I can
I ain't afraid to say forever
So if you want a man, I mean a man
If you want a man, baby, here I am
Baby, here I am

I dreamed aboutcha last night, baby
