

# I Ain't Giving Up On Love

Marty Stuart

It's a long long way to the top of the world of love  
We've been climbing, but we didn't climb high enough  
You told me that you loved me, but not enough to change  
your name  
We wound up in the ashes, but we sure went down in flames  
I ain't giving up on love, I'm just giving up on you  
Lord I feel a little shattered, been a little battered  
My heart's black and blue  
Well we turned love every way but loose  
Now we're gonna turn it that way too  
I ain't giving up on love, I'm just giving up on you

It's a long way back when you've gone as far as you can  
go  
The wheels of love are a turning, they're just a turning  
a little slow  
I'm hurting just a little and you're bound to hurt a  
little too  
And it's gonna take a lotta woman to love me like you  
used to do

I ain't giving up on love, I'm just giving up on you  
Lord I feel a little shattered, been a little battered  
My heart's black and blue  
Well we turned love every way but loose  
Now we're gonna turn it that way too  
I ain't giving up on love, I'm just giving up on you
