I'm A One Woman Man

Marty Stuart

If you told me that you loved me I would feel so proud Let me hold you honey, I'd holler out loud Never love another, even if I can Come to me baby, I'm a one woman man

Now won't you love me baby just to kinda hang around I'll always love you honey, I'll never let you down Never love another, even if I can Come to me baby, I'm a one woman man

Well, I'd climb the highest mountain, if it reached the sky To prove that I love you, I'd jump off and fly I'd even swim the ocean from shore to shore To prove that I love you just a little bit more

Ah, won't you love me baby just to kinda hang around I'll always love you honey, I'll never let you down Never love another, even if I can Come to me baby, I'm a one woman man

Now won't you love me baby just to kinda hang around I'll always love you honey, I'll never let you down Never love another, even if I can Come to me baby, I'm a one woman man Come to me baby, I'm a one woman man Come to me baby, I'm a one woman man
