

Last Train Done Gone Down

Marty Stuart

Oh that last train done left town
That train done left town
I heard the whistle moanin' low
But that last train done gone down
Whoohooo
My sweet baby's on that train
My sweet baby's on that train
I wonder if I will see her again
But that last train done gone down
Whoohooo

I'm sorry for what I've done
I'm sorry for what I've done
Goodbye, goodbye my baby cry
'Cause that last train gone down
Whoohoo

Oh that last train's done gone done
That last train done gone down
To late, too late, my baby cry
But that last train done gone down
Whoohoo
