Last Train Done Gone Down

Marty Stuart

Oh that last train done left town That train done left town I heard the whistle moanin' low But that last train done gone down Whoohooo My sweet baby's on that train My sweet baby's on that train I wonder if I will see her again But that last train done gone down Whoohooo

I'm sorry for what I've done I'm sorry for what I've done Goodbye, goodbye my baby cry 'Cause that last train gone down Whoohoo

Oh that last train's done gone done That last train done gone down To late, too late, my baby cry But that last train done gone down Whoohoo
