

## Somebody Saved Me

Marty Stuart

Somebody saw me  
When I was wondering  
Out in the desert  
Somebody saw me  
And with compassion  
Called to me gently  
Saying come in  
Somebody saved me  
When I was sinking  
Somebody rescued  
My soul from the great  
Somebody pulled me  
Close to his bussom  
It was jesus  
Mighty king jesus
