

Tempted

Marty Stuart

There's a girl trying to steal my heart and I'm tempted
Even though she could tear it apart, I'm tempted
In her eyes there's mystery, every time she smiles at me
I know how it could be and I'm tempted

Each time she looks my way, I'm tempted
Just a little more every day, I'm tempted
It's so hard to resist, the thought of her sweet kiss
Can't take much more of this, I'm tempted

Tempted and tried, deep down inside
I can't deny that I'm tempted

Ever since she caught my eye, I'm tempted
Just one look and you'll know why I'm tempted
So if I'm burned by the flame, there's no one but me to blame
'Cause every time she calls my name, I'm tempted

Tempted and tried, deep down inside
I can't deny that I'm tempted
Tempted and tried, deep down inside
I can't deny that I'm tempted

I'm tempted
I'm tempted
I'm tempted
