

After The Lights Go Down Low

Marvin Gaye

After the lights go down low, baby you know
There'll be no reason for teasing me so
And when the dancing is through & folks will be through
I'll be sitting with no one but you
And I'll be needing you so
After the lights go down low

I want to hold you & squeeze you as tight as I can
I'd like to kiss you & please you & make you understand
And when you thrill me, you fill me with love so divine
Together we can have a real good time
After the lights go down low, baby you know
There'll be no reason for teasing me so
And when we cuddle up near without any fear
Because I got something sweet I want you to hear
And I'll be needing you so
After the lights go down low

I want to hold you & squeeze you as tight as I can
I'd like to kiss you & please you & make you understand
And when you thrill me, you fill me with love so divine
Together we can have a real good time
After the lights go down low, baby you know
There'll be no reason for teasing me so
And when we cuddle up near without any fear
Because I got something sweet I want you to hear
And I'll be needing you so
After the lights go down low
