

# Gonna Give Her All The Love I've Got

Marvin Gaye

There's a train leaving here tomorrow  
And I'll be a free man once again  
I'm so glad I served my time  
I'm going to meet the girl that I left behind

And when I see her  
I'm going to give her all the love I've got  
When I see her  
I'm going to give her all the love I've got

There were times  
When each day seemed like a year  
But the sweet things she said in the letters  
Made the time just disappear  
She said no other arms will I let hold me  
Because in your arms is where I want to be

And when I see her  
I'm going to give her all the love I've got  
When I see her  
I'm going to give her all the love I've got

Baby, oh baby, my little darling  
I'm coming home

The nights I've stared out my window at the moonlight  
Thinking about the way I used to hold her tight  
I must have been out of my mind to do the wrong I did  
And leave her behind

And when I see her  
I'm going to give her all the love I've got  
When I see her  
I'm going to give her all the love I've got
