

Good Lovin' Ain't Easy to Come By

Marvin Gaye

Good loving ain't easy
Good loving ain't easy
Good loving ain't easy to come by
Oh, darling, that's the kind you offer me
It's just the love to be found
Because we're working on a building nobody can tear down
Look what we've got, ho-ho-ho-honey

Good loving ain't easy
Good loving ain't easy, darling
Good loving ain't easy to come by, oh no no
I've tried the good life and I know
It's a playground where no one cares
But at last you'll find out that don't compare
To what we've got, ho-ho-ho-honey

It takes more than just a song and dance
You've got to work and fight to give it a chance
If the rain comes down on us
And there ain't no place to run
We'll just cover ourselves with a blanket of love
And wait till the morning comes
Oh baby, let's do it today
Inflection
Give us protection

Good loving ain't easy to come by
Some think it's a plaything
You can toss away when it's old
But when love's valued in pieces
It's worth more than gold
That's what we've got

Good loving ain't easy to come by over
Oh, oh, it ain't easy
